TENTATIVE RECOMMENDATIONS FOR RESOLUTION OF ISSUES
INVOLVING LIMITED CONTROVERSY

I. Tax Freeze; Tax Reform Generally

A. Tax Freeze and Related Provisions

3. Net interest exclusion. Senate recedes.
(p. 12)

D. Corporate Tax Provisions

26. Holding period for property distributed by one corporation to another.
(p. 40) Same in both bills.
House recedes on effective date, so the provision applies to distributions after the date of enactment.
32. Dividend Distributions of discount obligations by corporations.
(p. 50) Same in both bills.
House recedes on the effective date, so the provision applies to distributions declared after March 15, 1984.
33. Delay application of net operating loss rules added by Tax Reform Act of 1976. (p. 50) House recedes with an amendment adding "G" reorganizations to the reorganizations covered by the 1976 Act's rules, if and when they become effective.
34. "C" reorganizations.
(p. 50) House recedes. The Statement of Managers will indicate that in the case of a Treasury approved failure to distribute, the parties generally will be treated as if a

distribution and recontribution had occurred.

35. "D" reorganizations.
(p. 50)

House recedes with a technical amendment to conform the provision more closely to section 304, by defining control as ownership of 50 percent of the voting power or 50 percent of the value of the acquired corporation.

39. Consolidated returns.
(p. 58)

House recedes with certain technical amendments. One would require grandfathered groups to meet the 80-80 percent tests of the provision in order to continue to be treated as an affiliated group. Regulations would provide instances in which mere relative changes in value of different classes of stock would not cause disaffiliation. Another would apply the new definition of "affiliated group" for all income tax purposes, not just consolidated return purposes.

Effective date.--Open, with respect to the status of groups becoming affiliated under present law after March 1, 1984, and before April 12, 1984.

E. Partnership Provisions

40. Retroactive allocations.
(p. 60)

Senate recedes with report language requiring monthly convention by regulations. Rules for tiered partnerships conformed to Senate committee report. Retroactive allocation rules applicable to

payments made after the close of the taxable year of accrual and change of interest in the partnership. In addition, a cash-method partner who "contributes" accrued liabilities to a partnership will be allocated the deductions with respect to those liabilities.

41. Payments for services or property. (p. 60)

(a) Disguised payments for services or property.

(b) Disguised sales.

(a) House recedes.

(b) House recedes with a binding contract rule for transfers before April 1, 1984, and with report language indicating that this provision does not apply to certain partnership arrangements involving builders bonds.

(c) Definition of partner.

(c) House recedes.

44. Elimination of basis strips. (p. 64)

Senate recedes.

45. Allocation of certain liabilities. (p. 64)

Senate recedes with clarifying amendment to define scope of provision overruling Raphan.

F. Accounting Changes

54. Start-up expenses. (p. 78)

House recedes.

H. Pension and Welfare Benefit Plan Provisions

67. Affiliated service groups and employee leasing arrangements. (p. 94)

House recedes with amendment providing regulatory authority to exclude from the safeharbor rules in

the Senate provision certain leases of employees who would be key employees of the lessee.

68. Standards for cash-or-deferred arrangements.
(p. 94)

Senate recedes with amendment adding rules to prevent manipulation by splitting employees into several plans. The provision would not apply to arrangements currently being provided by state governments.

I. Foreign Provisions

72. Taxation of certain transfers of property outside United States.
(p. 108)

(a) Transfers of appreciated property.

(a) House recedes.
