Legend: {H} = House bill

{S} = Senate amendment

Legend for "Effective" column:

cpa = contributions paid after DOE = date of enactment epoia = expenses paid or incurred after

pyba = plan years beginning after pybo/a = plan years beginning on or after tmi = transfers made in

tyba = taxable years beginning after tyea = taxable years ending after

## Footnotes for JCX-19-00 R:

- [1] Negligible revenue effect.
- [2] Estimate assumes concurrent enactment of the above-the-line deduction for long-term care insurance (item I.D.1.)
  [3] This portion of the House bill was previously enacted.
- [4] This estimate reflects the recent withdrawal of the rotavirus vaccine from the market.
- [5] Loss of less than \$500,000.
- [6] An excise tax in imposed on group health plans that fail to meet certain requirements. This provision expands the requirements that apply to group health plans. It is estimated that the provision will have a negligible effect on excise tax revenues.

  [7] This provision will have other indirect revenue effects. The Congressional Budget Office will provide an estimate of these indirect effects.
- [8] Estimate provided by the Congressional Budget Office.
- [9] This provision was extended through 12/31/05 by the "Ticket to Work and Work Incentives Improvement Act of 1999."
