- [46] The bill provides that the excise tax credit and outlay payments to alcohol fuels blenders expire after December 31, 2010. If this bill is enacted, CBO's subsequent baseline would not assume extension of the excise tax credit and outlay payments beyond the 2010 expiration, because the requirement to assume extension of excise taxes dedicated to trust funds does not apply to excise tax credits and outlays paid from the General Fund. Thus, it is assumed that the excise tax credit and the outlay payments to alcohol fuel blenders would expire as scheduled. This treatment generates changes in revenues after 2010.
