Footnotes for JCX-68-04 R:

- [1] Accounts for binding contracts, but not their eligible renewals, if in effect on September 17, 2003.
- [2] Accounts for renewals of binding contracts if original contract was in effect on September 17, 2003.
- [3] Effective as if included in the amendment made by section 101 of the "Community Renewal Tax Relief Act of 2000."
- [4] Gain of less than \$1 million.
- [5] Effective as if included in the amendment made by section 121(a) of the "Community Renewal Tax Relief Act of 2000."
- [6] Loss of less than \$500,000.
- [7] Effective for debt incurred after date of enactment by SBICs licensed after date of enactment.
- [8] The bill provides that the excise tax credit expires after December 31, 2010. If this bill is enacted, the Congressional Budget Office's subsequent baseline would not assume extension of the excise tax credit beyond its expiration because the requirement to assume extension of excise taxes dedicated to trust funds does not apply to excise tax credits paid from the General Fund. For purposes of this revenue estimate, therefore, it is assumed that the excise tax credit would expire as scheduled. This treatment generates changes in revenues after December 31, 2010.
- [9] Estimate provided by the Congressional Budget Office. Negative numbers indicate an increase in outlays. Positive numbers indicate a decrease in outlays.
- [10] The outlay effects of this provision are the result of indirect effects on outlays for certain farm programs.
- [11] The outlay payments for ethanol expire after December 31, 2010.
- [12] Tax credits would be provided for on-road and off-road uses of biodiesel.
- [13] Gain of less than \$500,000.
- [14] Provision is effective as if included in the amendments made by section 101 of the Job Creation and Worker Assistance Act of 2002.
- [15] Loss of less than \$1 million.
- [16] Base difference change effective in taxable years beginning after 2004, for taxes paid or incurred after 2004. Basket change in taxable years beginning after 2006. Pre-effective date excess credits carried forward to new basket that would apply under new system.
- [17] Effective for taxable years of foreign corporations beginning after December 31, 2004, and for taxable years of U.S. shareholders with or within which such taxable years of such foreign corporations end.
- [18] Effective for dividends with respect to taxable years of regulated investment companies beginning after December 31, 2004.
- [19] Estimate accounts for interaction with reduction to 2 foreign tax credit baskets.
- [20] Effective for excess foreign taxes that may be carried forward to any taxable year ending after the date of enactment. Carryback period effective for credits arising in taxable years beginning after the date of enactment.
- [21] Effective for the first taxable year beginning on or after date of enactment, or for the last taxable year beginning before date of enactment, at the taxpayer's election.
- [22] Effective for taxable years of a foreign corporation seeking qualified foreign corporation status beginning after September 24, 2004.
- [23] Estimate is preliminary and subject to change pending final legislation.
- [24] The bill includes additional spending (not shown in the table) that is subject to appropriation.
- [25] Effective dates for provisions relating to reportable transactions and tax shelters: the penalty for failure to disclose reportable transactions is effective for returns and statements the due date of which is after the date of enactment; the modification to the accuracy-related penalty for listed or reportable transactions is effective for taxable years ending after the date of enactment; the tax shelter exception to confidentiality privileges is effective for communications made on or after the date of enactment; the statute of limitations for unreported listed transactions applies to all taxable years for which the statute of limitations under section 6501 has not run as of the date of enactment; the disclosure of reportable transactions by material advisors is effective for transactions with respect to which material aid, assistance or advice is provided after the date of enactment; the investor list penalty is effective for returns the due date for which is after the date of enactment; the modification of penalty for failure to maintain investor lists is effective for requests made after the date of enactment; and the penalty on promoters of tax shelters is effective for activities after the date of enactment.
- [26] Effective for all taxable years, whether beginning before, on, or after the date of enactment.
- [27] Effective for leases entered into on or after March 12, 2004 with exception for pending transportation leases with FTA.
- [28] Generally effective after the date of enactment, except for fuel taxes, effective for taxable years beginning after the date of enactment.
- [29] Effective for aviation-grade kerosene removed, entered into the United States, or sold after December 31, 2004.
- [30] Effective 180 days after the date on which the Secretary issues the regulations, which are required no later than 180 days after the date of enactment.
- [31] Bulk transfers to unregistered parties would be taxed at the time of the transfer. The Secretary would be required to publish a list of certain registered persons by January 1, 2005.
- [32] The revenue neutral tax rate on each ten pounds of tire capacity above 3,500 pounds is 9.45 cents on tires in general and 4.725 cents for biasply tires.
- [33] Effective for sales in calendar years beginning more than 30 days after the date of enactment.
