3. On page 211, the second sentence under *Explanation of Provision* for item 1 (Transfers of bulk imports of wine to wineries or beer to breweries) should read: “Under the provision, liability for tax payment shifts to the brewery or winery when bulk imports are transferred *without* payment of tax, just as those parties are liable for payment of tax on domestically produced beer and wine.”

4. On page 315 (Appendix Table), the total for fiscal year 1999 for H.R. 2676 should be “1,087” rather than “1.087”.
